About Me

Currently working as a Full Stack Developer, I have hands-on experience in web application development, system design, and collaborative team environments. I am also actively studying AWS Cloud Computing to further develop my expertise in cloud technologies, aiming to build a career as a Cloud Engineer and System Engineer in the future. I am a graduate with a Bachelor's degree in Computing from the University of Greenwich, and I hold prior qualifications in NCC Education Level 4 and Level 5 Diploma in Computing.

Education

- 2024 - 2025 **Greenwich University, United Kingdom**
Bachelor of Science with Honours in Computing
- 2023 - 2024 **M.S.T College**
NCC Education (UK) Level 5 Diploma in Computing
- 2022 - 2023 **Twinkle College**
NCC Education (UK) Level 4 Diploma in Computing

Experience

- Jul 2025 - Current **Web Developer**
Global Technology Company
Web developer with experience developing full-featured and interactive websites with Laravel, PHP, and Vue.js. Created websites for jobs that feature administration management, user submission, employee management, and integration with external APIs like the Typeform API. Worked on KPI projects with designs that are functional and user-friendly.
- Apr 2025 - Jul 2025 **AI Developer (Internship)**
My Day Thu Kywal
AI Developer Intern with experience in data detail filtering, image model training with PyTorch and TensorFlow, and API development for AI models. I am proficient in AI preprocessing, machine learning, deep learning, and model integration.
